VISIONARY FILMS: MONDAYS THROUGH MAY&JUNE

# FUTURA- DYSTOPIA

## BRAZIL Monday 23rd May

(Cert15) UK 1985 132 mins Dir:Terry Gilliam

Dream meets nightmare in Gilliam's brilliant, savage-comic whirl through a retro-future that may already be here. Funnier than 1984 more savage than Monty Python and featuring Robert DeNiro as abseling guerrilla-plumber...

## MONSTERS Monday 13th June

(Cert12A) USA 2010 94 mins Dir:Gareth Edwards

MONSTERS is Swiftian sci-fi with a political message: After six years they're no longer aliens they're residents. Now it's our turn to adapt...

## CHILDREN OF MEN Monday 20th June

(Cert 15) UK 2006 109 mins Dir:Alphonso Cuaron

Dystopia meets road trip in Alphonso Cuaron's Oscar nominated film as 2027 London tears itself apart and a lone refugee holds the precious secret that might be humankind's last hope of a future...
